

Creating Greener Spaces & Providing Flowerful Surprises

At Wrod Shatee Flowers, We Don't just provide flowers, plants, landscaping, and maintenance services - we create experiences. With a commitment to excellence and innovation, we seamlessly blend creativity and expertise to craft bespoke solution tailored to your unique vision.

Wrod Shatee Flowers & Plants, With over 5 years of experience in the flower market, we take pride in creating elegant and memorable floral arrangements for every occasion. Our shop has successfully served hotels, malls, and high-profile events, offering customized designs that blend creativity, freshness, and premium quality. From luxury box arrangements and bouquets to wedding décor and corporate displays, we ensure every piece is crafted with attention to detail and artistic touch. Our team is dedicated to quality, punctual service, and customer satisfaction, making us a trusted name in the floral industry. We believe flowers are more than decoration they express emotions, celebrate moments, and leave lasting impressions.

Indoor Plant Design

We have an exclusive range of planters and indoor plants for your space. We design customized plans depending on your interiors and specific requirements.

Plant Maintenance

Under our Annual Maintenance Contracts, our professional team ensures that your plants are green and healthy all year round.

Landscaping

Curating professional and green spaces for corporates to ensure a presentable and lush green exterior for your premises.

Flowers

From delivering flower arrangements to ensuring you have fresh flowers in your reception, every week, we cater to all your corporate floral needs.

Picked by Hand

All our plants are exclusively imported from Holland and specifically suited for work spaces and corporate environments.

Book a Session

Book a complimentary consultation session where we visit your space and recommend plants on the basis of existing light conditions, interior design styles and functions of the space.

Free Replacements

Free replacement of damaged & dying plants under our plant maintenance contract

Green Landscaping

At Wrod Shatee Flowers, each corporate project begins with a vision. Our dedicated team of experts collaborated closely with you to design and plan a landscaping concept that aligns with your corporate identity and objectives. From lush greenery to architectural elements, we tailor our designs to meet your unique needs.

Our skilled professionals bring your landscaping vision to life. We employ sustainable practices, ensuring that your corporate landscape is not only visually stunning but environmentally responsible. From initial ground preparation to the final flourish, we handle every aspect of installation with precision and care.

Work Includes

- ✓ Installation of Grass carpets or Ground covers.
- ✓ Lawn & Courtyard design
- ✓ Design of Gravel & stone pathways
- ✓ Creating hedges for partitions & borders
- ✓ Planting trees suitable for the area
- ✓ Adding flowering plants to bring color to the space
- ✓ Supply & installation of outdoor planted displays
